

New Election Changes

Following the 2020 Census, local counties and their respective municipalities are required to update and draw new supervisory lines and work together to create new ward maps. Due to these changes, the following wards will be affected as follows:

- We have added Ward 11. These residents were previously all in Ward 1, but those who live south of Bluemound Road will now be Ward 11. They will still vote at Town Hall; the only difference is the ward number!
- County Supervisory districts changed from District 9 to District 10 for Wards 5, 6, 7, and 8.
- Wards 1, 2, 9, 10, and 11 will now vote at Town Hall, 645 North Janacek Road. (Note that Ward 2 previously voted at St. John's Church).
- Wards 3, 4, 5, 6, 7, and 8 will now vote at our new polling location, Elmbrook Church, 777 South Barker Road, in the Gym. (See map below).
