Oktoberfest

The German heritage and influence in the Milwaukee area is widespread and none is more prominent than the German culinary influence at places like Mader's, Karl Ratzsch's, Usingers and more. Today, I'll prepare a terrific menu with this German heritage in mind. You can sample all of these foods and take home the recipes to prepare for your family...*Grandmas Sauerbraten, Spaetzle & Braised Red Cabbage* and *Maultaschen* which are a **famous German food** and a specialty of the Baden-Württemberg area. They are like a German Ravioli, filled with beef and pork, but then cooked in broth. The people living in the Württemberg part of this German area are also called Swabians.
