## Athletic Field & Facility Sponsorship

The facilities and parks within the Town of Brookfield system can also be sponsored! These sort of partnership opportunities give 24-hour exposure to a huge geographical marketplace. Individuals from all over Southeastern Wisconsin and beyond use the facilities and parks all year round.

There is no end to what can be sponsored but below is a listing of some opportunities that may fit your needs.

### Marx Park

Baseball diamond	Tennis courts
Softball diamond	Basketball courts
Park shelter	Park benches and bleachers
Playground areas	Tree plantings

### Wray Park

Baseball diamond	Tennis courts
Softball diamond	Basketball courts
Playground areas	Park benches and bleachers

Since these partnerships can be for an extended period of time and extremely visible to everyone who uses the parks, the Town of Brookfield would like to discuss with you all the options for sponsorship. Signage at the parks, equipment purchasing, name dedication and event dedication are just some of the ways we can partner.

You business covers our area and beyond, it makes perfect sense to advertise in the *Town Tidings* for even more coverage. More exposure means more sales, more profit, and better community relations. Let's work together to make that happen!
